RE: Mancuso/Wildman Settlement Agreement

Dear Mr. Abshez:

Pursuant to your telephone request and upon your recommendation, this will confirm that the Conservancy staff will change the proposed modification to the settlement agreement submitted by you by changing the extension of the periods for performance from 90 days to 120 days and having each party initial that modification at the time they execute the modification agreement. In addition, in accord with this proposed change to the modification agreement, the Conservancy staff will postpone the public hearing on the cost analysis and access program feasibility study until the Board's May, 1999 meeting.

Sincerely,

PETER H. KAUFMAN
